

UWC makes education a force to unite people, nations, and cultures for peace and a sustainable future.

UWC Fast Facts

United World Colleges (UWC)	UWC is an international education movement which aims to bring about peace and a sustainable future by fostering international understanding amongst adolescents.
Locations	There are currently 12 UWCs around the world, with an average of 70 different nationalities represented at most colleges. Schools and colleges are located in: Hong Kong (Li Po Chun United World College), India, Singapore, Italy, UK, Netherlands, Bosnia and Herzegovina, Norway, Swaziland, Canada, USA, and Costa Rica.
Curriculum	UWC Colleges offer the 2-year pre-university International Baccalaureate (IB) diploma programme. The IB diploma is recognized by major universities all over the world.
Scholarships	Students are selected to attend the UWC Colleges purely on merit (personal and academic) , while scholarships are awarded by reference to the financial situation of selected students' family. Each year, about 60 scholarship places are available to students applying from Hong Kong to the various UWC colleges.
Amount of Scholarship	Full scholarship covers the full tuition, textbooks and accommodation at the College and is approximately HK\$ 200,000 per year. Other scholarships range from HK\$ 2,000 per year up to the amount of the full scholarship.
Applying to UWC	Students currently studying at Secondary Four (or its equivalent) can apply by 30 November 2012 for studying at a UWC College the following September. Hong Kong applicants must be permanent HK ID card holders or dependent visa holders.
Who should apply?	Students who are interested in learning about different cultures , have a sense of idealism , and can cope with an academically challenging programme while staying active in service and extra-curricular activities . After graduation, students are expected to live and share the UWC values and help make a difference in their own communities.
Application Period	7 October 2012 to 30 November 2012
